Unique family of lightweight, portable socket foundations for the Reid PORTA-DAVIT

The truly innovative extension to the REID Socket family to further support the flexible use of the PORTA-DAVIT range:

- The most convenient socket for PORTA-DAVIT without any need for a fixed socket installation
- WLL 500kg at a max 1000mm radius with WLL 120kg for man-ride
- Eliminates installation and testing costs for the socket
- Adjustable legs for uneven surfaces
- Anodised legs and yellow powder coat paint to the socket and tie bars for protection
- 4 configurations of 90°, 180°, 360° & 270° counterbalanced with up to 1000mm radius
- Manual handling compliance without mechanical aids
- CE & EN 795 Class B approved

NB Sockets and Extensions not currently available with PORTA-BASE

PORTA-BASE VARIANTS				
PORTA-BASE	90°	180°	360°	270° counterbalance
WLL Goods (kg)	500	500	500	250
WLL Manride (kg)	120	120	120	120
Max working radius (mm)	1000	1000	1000	1000

270° Counterbalanced PORTA-BASE

A further innovation to add 270° overhang counterbalanced operation to the REID PORTA-DAVIT:

- 270° overhang counterbalanced configuration with:
 - Radius to 1000mm
 - 180° operating arc
 - WLL 250kg for goods lifting
 - WLL 120kg for Man-ride
- Manual Handling compliant
- Adjustable feet for uneven surfaces with spirit level fitted to each leg
- Two heavy duty bags for transportation and storage (28kg & 15kg) with 2 weight baskets of 40kg each
- Weight baskets attach to PORTA-BASE legs and utilise 16 off, 20kg hand weights

The Facts:

- Lightweight and portable
- Easy, rapid assembly - no tools required
- Packed in heavy duty protective bags for easy handling, storage and reduced maintenance
- Flexible, high utilisation with no installation costs
- 90°, 180°, 360° & 270° counterbalanced options
- Enables PORTA-DAVIT use in situations where there is occasional or emergency requirement without sockets installed or possible
- Enables "building overhang" applications where sockets are not available or possible
- Man-ride and goods lifting use
- Suitable for clean environments
